Humble petition of K.S. Amrith Rao, M.B.B.S, now Sub-Assistant Surgeon in charge of L.F. Dispensary, Sullia, South Kanara District, dated 27th July 1937.

Most Respectfully showeth,

Subject: Request for restoration of his grade as L.F. Assistant Surgeon : G.O. No. 2403 P.H. dated 15-10-1934

1. That your petitioner was appointed in 1925 as Assistant Surgeon to be in charge of L.F. Hospital, Bantwal, which was till then mostly in charge of a Civil Assistant Surgeon. When Government took over the Taluk Head Quarter Hospitals, the Bantwal hospital was left in charge of the Local Board, and after a great deal of correspondence, the privilege of appointing their own man was first granted to the local boards, and your petitioner was the first one to be appointed to the Bantwal hospital in South Kanara District.

2. That ever since then (1925), your petitioner was in charge of that hospital as an Assistant Surgeon. In 1934 under G.O. No. 2403 P.H. dated 15-10-34 the Government was pleased to divide the entire Medical staff of the Local Boards in the Presidency into two cadres, that of L.F. Assistant Surgeons, and of L.F. Sub-Assistant

Surgeons, the former on Rs. 100-10/2-200, and the latter on Rs. 60-5/2-120. In the same G.O. (para 3) the Government was further pleased to order that incumbents then existing should be appointed to similar posts carrying the new scales of pay. Your petitioner who was then drawing a pay of Rs. 150/- per mensem, and who had already put in a service of nearly 10 years as Assistant Surgeon, should under this G.O. have been appointed as an Assistant Surgeon on L.F. Assistant Surgeon's Cadre on the scale mentioned above.

3. But on 19-8-1935, by G.O. Mis. No. 2139. P.H., the Government nullified the benefit of the previous G.O. and your petitioner was, for no fault of his, reduced along with other Assistant Surgeons of this district to the L.F. Sub-Assistant Surgeons cadre, though he was granted a personal pay of Rs. 30/-. Your petitioner was thus hit very hard by this new G.O.

4. That your petitioner submits that while in Government service all new scales are applied to new entrants, in the Local Fund service, the above said G.O. was made applicable to the petitioner though he had already put in a service of nearly 10 years as Assistant Surgeon.

5. That while persons in the L.F. Vaccination (Health) service, L.F. Engineering Department, and also those in the Co-operative Department (Subordinate service) have always a chance of being taken into the higher grade, the Medical staff under the Local Fund service, have practically been denied this privelege. Even in Government service L.M.P.s of mert are promoted to the grade of Civil Assistant Surgeons.

6. That your petitioner has the following additional technical qualifications, besides being holding a M.B.B.S.

degree of the Madras University :-

(a). House Surgeon's Course under the First Surgeon (then Lt. Col. Bradfield- now Director General of Indian Medical Services)- Government General Hospital, Madras. (1922).

(b). House Surgeon's course in the Government Maternity Hospital, Egmore, Madras.(1922-23).

(c). Post-Graduate course in Gynaecology and Obstetrics in the Government Maternity Hospital, Egmore, Madras. (1923).

(d). House Physician's course under the First Physician (then Lt. Col. Malcolmson) Government General Hospital, Madras (1923-24).

7. That your petitioner throughout his service has turned out good work in all the hospitals and dispensaries under his charge as can be testified to by the increase in the attendance at the several institutions and of the good remarks left by the various Inspecting Medical Officers and other visitors at such institutions.

8. Your petitioner therefore prays that on a kind consideration of the above facts and circumstances, the Government may be pleased to restore the petitioner to his original grade of L.F. Assistant Surgeon.

K. S. Amritha Rao.

Note.

The question whether the petitioner might be designated as Asst. Surgeon was examined fully in consultation with the S.G and it was decided that he

should not be declared as an Asst. Engrs. In the circumstances there seems to be no case for reconsideration of the previous orders.
